“Humanity in every age, and even today, looks to works of art to shed light upon its path and its destiny. The purpose of art is nothing less than the upliftment of the human spirit.”

Pope John Paul II

SACRED ART

I specialise in commissions for sacred art for churches, schools and homes. Each artwork is created to give a sense of the beauty and wonder of the life of Jesus and the Christian traditions and is an expression of my gifts of faith and art.

Working mainly in oils, pastel and pencil, I endeavour to achieve a harmonious blend of light, colour and design for each new project. My hope is that each piece of sacred art may bring to the viewer an inspiring experience of hope and joy. I am currently working for clients around Australia.

MOONEY FINE ART

From the first sketch to the finished art, I work closely with you to ensure that your ideas are successfully brought to life. Consideration is given to every aspect of the project; where it will be seen, the intended audience and the specific purpose of the artwork.

A work of art can make a unique gift for Birthdays, Baptisms, Communion, Confirmation, Weddings or any special occasion.

The price of each artwork will vary depending on the size, content and complexity. To discuss an artwork you have in mind please contact me. I look forward to working with you.
